

Designed for kid fun, and parents' peace of mind.

- Monitor text messages remotely from your device
- 1,200+ popular apps with in-depth safety ratings
- Block 100% of stranger and spam communication
- Custom schedules for contacts and apps
- Choose your cell carrier and your phone model

I can honestly say I've never been more impressed with a smartphone built for kids.

You **HAVE** to check this one out!
