6	BECOME A PERSONAL TRAINER
7	BECOME A BOTANIST
8	BECOME A MUSICIAN
9	BECOME A CHEF
10	BECOME A WORLD TRAVELER

BECOME AN ARTIST

Hey! Ever wondered what an artist is? An artist is someone who uses their creativity to make things that express feelings, ideas, and stories. They might paint, draw, make music, write stories, take photos, or even build sculptures. Artists see the world in unique ways and help us see it differently too.

Canva

Krita

Pocket Paint

BECOME A GAME DESIGNER

A game designer is responsible for creating the overall concept, rules, and gameplay mechanics of a video game. They work closely with artists, programmers, and other team members to bring their vision to life. Game designers also playtest and iterate on their designs to ensure an engaging and enjoyable player experience.

BECOME A PHOTOGRAPHER

Learning how to be a photographer can be super fun and exciting! It helps you see the world in a whole new way. You'll learn to pay attention to details, explore different perspectives, and express yourself through your photos. Plus, you'll have the chance to share your unique view of the world with others. So grab a camera and start snapping photos.

BECOME A WORLD TRAVELER

Learning new languages is like adding special ingredients to a recipe – it makes the experience richer and more exciting. Like a chef creating delicious dishes by mixing different flavors, learning new languages opens up a whole new world of communication and understanding. It's a fun way to explore different cultures and connect with people from around the world.
